

To Whom It May Concern

Date; 2008-09-08

It is with great respect that Huawei Technologies Co., Ltd. is proud to have Molapo Technology in the position for servicing and repairing Huawei products.

Huawei Technologies Co., Ltd. has appointed Molapo Technology from 2007 to date and has to state that Molapo Technology is in deed a professional organisation with regards to their staff and also the operating system they have in place that proofs to be very efficient when it comes to monthly reports and also keeping track on the history of the products they repair.

Molapo Technology has added value to Huawei Technologies Co., Ltd. in the sense of providing after sales service to their products and enables Huawei Technologies Co., Ltd. to compete in the market as to how customers should be serviced.

Going forward Huawei Technologies Co., Ltd. will continue in building a long term relationship with Molapo Technology to expand the business relation that is currently growing by the day.

Huawei Technologies Co.,Ltd. would like to take this opportunity to confirm well done Molapo Technology and thank you for the on going support and service.

We look forward working in close relation with each other.

You're sincerely
