TO WHOM IT MAY CONCERN:

Re: Molapo Technology (Pty) Ltd
Letter of Reference

The above subject refers.

MVTEL of Swaziland would like to extend its appreciation for the superb service we have received from Molapo Technology in more than three years of working together.

Molapo has consistently delivered a high standard of work in servicing our clients' electronic repair needs. Professionalism and quality are evident and consistent at all levels of our interaction with the company.

Molapo is truly a results-oriented company and leaves no stone unturned to ensure quality work and timeous delivery.

Yours truly,

Prosper Takawira
